Snack Time!

DAY TWO-12TH NOVEMBER

STRATEGY STAGE
13:30 TO 17:00

15:30 TO 16:15

Discussion / Unleashing Network Effects

This panel discusses – from the point of view of bank, technology provider and investor – the importance of network effects in financial services, the types of network effects that can be generated and how, the tactics for overcoming the chicken-and-egg problem, the challenges of exporting network effects across geographies and much more. Lots of practical, sage advice.

Martin Mccann, CEO, Trade Ledger

Oliver Prill, CEO, Tide

Evgenia Plotnikova, Principal, Dawn Capital

Ben Robinson, Co-Founder, Aperture

16:15 TO 17:00

Discussion / Talent 2.0

What makes a good team member? Where can you find the best talent? Is it all about skill and learning – or is there a personality ‘type’ that works better in tech?

The technology and innovation industries are at a cross roads. Where can ‘talent’ go from here?

Wincie Wong, Head of Rose Review Implementation, RBS/NatWest

Romain de Maud'huy, Chief Transformation Officer for Motor and Travel, AXA Partners

Jennifer Drabble, Director of Data Product and Science, Barclays

DAY TWO-12TH NOVEMBER

STRATEGY STAGE
13:30 TO 17:00

17:00 TO 17:45

Discussion / Generations - Myths & Realities

What are our assumptions around customer groups and how can we validate them?

James Gibson, *Head of Product for Revolut for Business*

Amelia Rey, *Business*

Consultant for Innovation within Group Transformation, HSBC
